full text of the new Township Organization law may be had by calling at the office. THE senator from Maine is evident:

senate Monday is pronounced the flattest of all his failures. HON. WM. VANCLEVE, of Macon. was presented with a handsome goldheaded cane by his friends of the Thirtieth General Assembly, last Mon-

day evening. A NEW counterfeit \$5 bill, on the

closely observed. greatly damaged by frost and drouth. wheat and planting corn.

THE Missouri delegation in congres held a caucus last Tuesday for the purpose of ascertaining the views of members as to the present political situation and mapping out a line of policy for the future.

ALL the state buildings at Jefferson City cost only \$302,000 : capitol, \$205,-000; governor's mansion, \$80,000; supreme court room, 17,090. The assertion made that the removal of the state capital would cost \$5,000,000 was all bosh.

SPEAKER BELCH declared the 30th General Assembly of the state of Mising at 10 o'clock. We feel safe in assuring our readers that they need not for three weeks any way.

THE views of the St. Louis Repubtican and Globe-Democrat are evenly balanced for once. The massive intellect comprising the editorial staff of these great metropolitan journals find no quiet and peace of mind so much desired on Sundays. when the streets are allowed to go unsprinkled.

THE governor was permitted to indulge in the luxury of a veto Monday morning, it being the first of the session. He returned to the house with his objections, the concurrent resolution "authorizing the governor and attorney-general to prosecute certain claims against the government of the

an action for damages against ten of the dropsy set in, which proved fatal. passed through his body, appearing report to the criminal court, reflecting upon his judicial integrity.

THE Radicals spend about \$300,-000 of the peoples' money by employ ing U. S. marshals and supervisors at every election in controlling the bal lot box for their own candidates. Nine-tenths of this sum is used in the North, most of it in New York City and Philadelphia. By this means they gained seven congressmen in New York City last year.

WEDNESDAY of this week our young friend, W. H. Davis, of Brunswick, who recently graduated in the law department of the State University, at Columbia, was admitted to practice in the Circuit court. Mr. Davis is an industrious and energetic young man, of good judgment, and well read, and we bespeak for him a liberal share of business belonging to

A very easy policy has been laid had the privilege of examining copies out by the stalwart leaders for the of both the works. One is called Republican party. It is a very easy course to pur- lates to the above trip. The other is sue, but it will show to the country called "A view of the Lead Mines of filed. that the Republican party is fighting Missouri, &c.," and was published by for nothing but the spoils of office.

CONGRESS is discussing the question as to whether the people shall control the army, or whether the army and U. S. marshals, under orders of a partizan president, shall control the people. The people must pay the bills in any event, and we are in favor of their bossing the job, or they should wrap the strings around their little pocketbooks, and let those who do the dancing and enjoy the fun pay the fiddlers.

THE senate committee on privilege and elections has taken up the investigation of charges recently preferred against Senator Ingalls, of Kansas. Ingalls is charged with having obtained his seat in the senate by bribing certain members of the Kansas state legislature. If the charges can be fully sustained in this investigation there is little doubt that Mr. Ingall's senatorial wings will be clipped and he be made to pay the penalty the law justly imposes. Then will it be practically illustrated that "investigation

On the fourth page of this paper will be found a full text of the township organization act recently passed by the Thirtieth General Assembly.

velopement of the the mineral resour-

The bill is long and we have been to considerable expense to publish it. but knowing the interest the people of this county feel in the law, we have spared no pains to present our readers with its full text.

The main features of the law (the assessment and collection of taxes, and the management of road matters) have been proven to be far superior to the modes under the county system. It affords more convenience for those living a distance from the county seat and under it much better collection of

taxes can be effected. There are some who believe the act to be unconstitutional, but as a vote cannot be had on its adoption until It is said that Mr Hayes' second November, 1880, there is ample time veto was almost as much a surprise to to have the supreme court decide on

ent to the president on Saturday, features of the law that might have

visions, but better late than never.

BRUNSWICK BULLETS.

The Light of Martin Felser's Life Suddenly Snuffed out by Dr. R. O. Davenport.

The quiet and peaceful little town of Brunswick, in this county, was shocked from center to circumference on Wednesday afternoon last, by the announcement that Dr. R. O. Davenport, a practicing physician of that place, had shot and fatally wounded Martin Felser, a respectable and peaceful German farmer, living about two miles south of town. Naturally enough the reports touching upon the origin of the sad affair are conflicting. but after weighing all for their real In a private letter of recent date to value, we append the following partica friend Congressman Rothwell, of ulars, which, in point of correctness, are about as near as can be obtained :

Dr. Davenport is the attending family physician of Mr. Martin Felser and his services are secured by the year; the two men were firm friends, and had been for years. On one occasion the doctor's services were wanted at Felser's when he could not go, but sent a substitute.

Time passed on until this substitute applied to Mr. Felser for the payment of his visit. Mr. Felser did not understand exactly that he was to pay this man when he had a family physimere pretensions. The Democractic cian whom he paid an aunual salary, consequently let the matter restauntil he should investigate more thoroughly. There it rested until the day of the A NEGRO, Edmund Kinney, and a shooting; and up to this time the white woman named Mary Hall, were friendliest feelings prevailed on the
